

EU's general privacy policy setup (GDPR) application started 25th of May 2018. We have updated our privacy policy in accordance with the GDPR.

PRIVACY STATEMENT

EU General Data Protection Regulation (GDPR) is a new regulation that includes protecting personal privacy and replaces data protection directive.

Fest Afrika ry respects your privacy and always protects your personal data the best way possible. We aim to ensure in all our operations that your private data will be handled in the most secure way possible. In this Privacy Policy report we indicate what kind of information we collect and how we use it.

The primary criterion of handling your private data is based on custom relations or the consent of the registrar.

1. REGISTRAR

Fest Afrika ry
Business ID: 2548003-9
Address: Nekalantie 36, 33100 TAMPERE, Suomi
Phone: 040 7038206 | Email: info@festafrika.net

2. NAME OF THE REGISTER

Email list of the info letter, register on volunteers, festival market vendors, workshop participants, and membership register.

3. WHICH PRIVATE DATA DO WE COLLECT?

We collect private data upon registering volunteers, festival market vendors and workshop participants. Contact details are collected for festival tickets lottery. The information we collect includes name, phone number and email address.

4. HOW DO WE USE PRIVATE DATA?

Data can be used for authentication, customer surveys and participant lists. Data can be used for communications, forwarding important information and targeted marketing.

Private data can be forwarded to authorities if demanded or for the purposes defined by law. Private data will not be forwarded to third parties.

5. HOW DO WE PROTECT PRIVATE DATA?

Fest Afrika considers the careful protection of the registered data very important. The data is stored in an electronic system that is protected by firewalls, passwords and other technical solutions. Only certain persons of Fest Afrika have access to the registers. All persons who use the register are subject to the obligation of duty of secrecy.

6. HOW LONG DO WE STORE PRIVATE DATA?

Private data will be in the registers only as long as necessary. Outdated and unnecessary data will be removed appropriately. Private data is in the registers as given by the data provider and updates are made by instructions or request by the data provider.

7. CHECKING, UPDATING AND CORRECTING PRIVATA DATA

Data provider has the right to check data and have incorrect data corrected, add data when incomplete and remove data from the register as desired.

If the data is processed based on your consent, you have the right to cancel your consent by notifying us according to this Privacy Statement. Requests for rights should be sent to the addresses mentioned in point 1. in writing or by email.

If Fest Afrika does not comply with the data protection act, the data provider has the right to appeal to the authority.

8. SOCIAL MEDIA

Regarding the information shared from festival website to different social media channels, Fest Afrika will follow the terms of the social media operator in question.

9. CHANGES IN THE PRIVACY DATA STATEMENT

Fest Afrika reserves the right to change the Privacy Statement by notifying it on its website.
